

KARNATAKA STATE DENTAL COUNCIL

No. 143, 5th Main Road,
Chamarajpet, Bangalore - 560 018
Tele : 080-2667 4068

Ref. No. KSDC/ 255/2024-25

PUBLIC NOTICE

Dated 09/07/2024

Karnataka state Dental council, Bengaluru wishes to bring to the **kind attention** of the general public that utmost care/caution to be exercised by them while opting for Dental treatments. **Only those registered Dentists need be consulted for dental related ailments.**

In this regard the general guidance issued by Dental Council of India is reiterated for information of public.

It has come to the notice of the Dental Council of India that some of the private companies, by engaging dentists, offering in home service to the patients bypassing the professional expertise of the Dentists and functioning on aggressive marketing violating the provisions of clinical Establishments (Registration and Regulation) Act 2010, Dentists Act, 1948 and revised Dentists (code of ethics) Regulations, 2014, Therefore, such companies, all dentists and the public at large, for their dental treatment, be advised as under:-

1. The dental treatment shall be given to the patient by the registered dentists in his/her clinic/Hospital.
2. The scanning of teeth of patients shall be performed by **Registered Dentists** only. Scanning of teeth performed by any non-dentist will be a gross violation of Dentists Act 1948.
3. Registration of dentist must be mentioned/displayed or provided at all Web portals of the company/clinic.
4. Dentist should provide highest quality of treatment for better outcome, providing/endorsing treatment with proper examination, tests, through diagnosis and treatment planning, with proper follow up for patient care.
5. Biomedical standard waste management / sterilization protocol shall be followed by all dentists.
6. Companies shall not project their aggressive advertisement campaigns, to lure common man for getting dental treatment.

Date : 08/07/2024.
